

MID DEVON WILDLIFE

Mid Devon Wildlife was formed by a group of enthusiasts in 1981 and holds regular meetings based at St George's Church Hall, Beck's Square, Tiverton. New members and visitors are always welcome at the meetings (for a nominal charge). There are also field trips throughout the year.

Aims and Objectives of MDW

- To promote interest in wildlife
- To study wildlife
- To protect species of wildlife and the environment
- To promote the exchange of ideas and interests with other wildlife and conservation groups
- To conduct field study groups to places of interest.

Who can become a member?

If you are interested in any aspect of natural history, you are welcome to join the society.

"Expert or novice, professional or amateur, old or young, the only qualifications necessary are interest and enthusiasm."

Please note that junior members, under 18, must be accompanied by a parent or guardian when attending meetings.

What can I expect?

- Our meetings and activities seek to cover all aspects of wildlife. There is ample opportunity to learn from other members who have a wide range of interests and, in many cases, considerable expertise.
- A newsletter is published regularly, which includes articles by members on their work and observations. Contributions are always welcome.
- We hold an annual wildlife photographic competition for members.
- We keep you informed by email and through our website www.mdw.org.uk

Membership Application Form

I would like to apply for the following membership (please tick):

Junior, under 18 (£3) Adult (£6) Family (£15)

N.B. Annual subscriptions run from 1 January to 31 December
